WATER FOR GHANA

As a church, we are collecting funds in the month of October to help provide wells for the country of Ghana, Africa.

Our goal is \$3,000,

which is the cost of 1 well.

Ghana's water and sanitation crisis

In **Ghana**, close to six million people rely on surface **water** to meet their daily **water** needs, leaving them vulnerable to **water**-related illness and disease. ... 70% of all diseases in **Ghana** are caused by unsafe **water** and poor sanitation.
